02:11:03 (Exhibit 35)

Maureen not discussing visitation when offered opportunity.

Pictures relevant to Doxing.

02:15:00 Doxing - No mention of Mother or Father.

02:24:30 Maureen Driving By 2616 Hackworth St, Ashland, Kentucky 41101.

02:25:50 - Ashland Police Welfare Check.

02:26:30 - Contact FBI, State Dept., and the American Embassy in the Philippines about the location of the children?

02:28:46

Maureen Mulvaney claims she could not understand the requirements for submitting financial information for the court appearance and blames her accountant for not providing the proper information. Regardless, it is her responsibility.

Maureen claiming ignorance is not a defence.

02:34:00 Doxing Document questioning. Claimed only sent to Family and Friends. Lied.

02:38:00 - Claims specifically that she only shared with Family and Friends and people she knows, only (Again). Is questioned about how it got to the rest of the world. Chris Torrenzano makes argument there is no evidence it went to world.

02:39:37 How did it get to the world? Maureen, "I can honestly say to you Mr. Olesen, that on the Constant contact it is an Email thing. It had only family and friends. So, all I can assume is how you got it is beyond my comprehension. you weren't a part of my family and friends circle at that moment. So you got an individual email from my email account. I wonder how that happened? And as far as how it got out, other than that, I put it on My Facebook, none of your family and friends, as I know, is on

my Facebook."

Continues to claim ignorance of how the internet works. also claims she did does not know how the service she uses (Constant Contact) works.

02:41:31 - Shared on Facebook Globaly

02:42:50 - Facebook. Is it a web link? - objection "Vague", overruled. Maureen commits Perjury, does know how to disseminate web links on the internet. Her testimony was all a lie.
