Dear Ormoc Holy Trinity Montessori Academy Administration...

...I pray this email finds you well. My name is Maureen G Mulvaney. I'm reaching out to you as the grandmother, affectionately known as Mimi, by my grandchildren [REDACTED]. I understand that [REDACTED] have recently been enrolled in your esteemed institution, the Ormoc Holy Trinity Montessori Academy.

Since their relocation to the Philippines with their adoptive mother, I find myself missing them dearly. As a former Elementary School Teacher and Author, I am particularly delighted to learn that [REDACTED] are attending a Montessori school, especially considering that their late biological mother, my daughter, also received a Montessori education.

I wish to express my intention to donate to your school library for two primary reasons. Firstly, considering both of my grandchildren celebrate their birthdays in March, my goal is to make this donation as a special birthday gift from [REDACTED] to their school. Secondly, my donation reflects my commitment to supporting and enriching [REDACTED]'s educational path. I strongly believe in nurturing a passion for reading. I believe that this contribution will positively influence [REDACTED]'s educational journey as well as that of all students at your school.

Arranging a Zoom meeting with the person in charge to further discuss the details of my donation would bring me true joy. During our discussion, we'll can explore the donation process, and you can also provide guidance on how to proceed with making the donation.

Thank you very much for your attention to this matter. I look forward to hearing from you very soon.
