Funerals & Memorials

My friend, Mayree Mulvaney, passed away suddenly on September 16th, 2019, leaving two beautiful children, [REDACTED] (6) and [REDACTED] (4).

Mayree overcame respiratory challenges and hearing loss by learning to read at age 3. She even became a dedicated musician playing both piano and violin, with hearing loss. As a teen, she wrote her own songs and earned spending money by playing piano at church & various events.

Mayree brought to life 2 of the most amazing little human beings on earth, [REDACTED] (age 6) and [REDACTED] (age 4) [REDACTED]. She treasured her children and never lost her childlike joyful heart. She

embraced every moment with them. Mayre's cherished children were her joy, her 'little loves', and her life. She was a dedicated mother, first and foremost.

Mayree's mom is hoping to use the funds to help make up the income the children will miss out on as a result of losing their mother. Mayree's mom also mentioned that she would like to pay someone to make quilts and stuffed animals for the children out of Mayree's clothes and keep her perfume on hand so they can remember her and still be comforted by her even though she's gone

Please, consider donating to help [REDACTED] and [REDACTED] find their way through this traumatic loss.

We love Mayree, who was Jordan's best friend at the Yamaha Music School and New Vista Academy. She and Jordan were the flower girl and ring bearer at our wedding. We will always miss her. Please stay in touch and come see us!

Mayree was such an amazing mom and friend and she will be sorely missed. Her kids deserve the world and I hope this helps them with anything they need.
