Campfire Conversations: Illuminating Corrective Action & Employee Evaluation

Employee Discipline is a skill that even the most seasoned managers can struggle with. Learning Corrective Action practices can make the process easier. By providing a clear outline of rules and expectations, employees and managers can work together to correct disciplinary issues. This process also makes it less complicated when giving an employee evaluation. This is an encore class from our 2023 Camp CNP Manager's Retreat.

1:15pm- East Meeting Room E/F, 3rd Floor

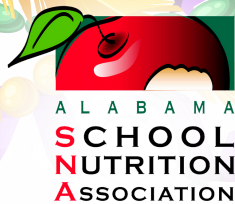

Key Area 3: Program Management (3200) & Human Resources & Staff Training (3400) - 1 CEU

Speaker: Linda B. Godfrey, RDN, SNS, LD, Trainer/Educator
